Products

Purina Organic Layer Pellets

- 35 lbs. – $28.00

Purina® Organic Layer Pellets or Crumbles with the Oyster Strong® System provide a balanced and complete diet with 16% protein for feeding organic laying hens. This product has been certified organic by the USDA. It is made with non-GMO ingredients that have been grown without the use of pesticides and fertilizers.

Purina Layena Pellets

- 50 lbs. - $16.00
- 10 lbs. - $8.00

Purina® Layena® Pellets provide all 38 nutrients hens need. Purina® Layena® is a 16%-protein, high-calcium ration formulated with prebiotics and probiotics for laying hens 18 weeks and older to support optimal hen health and consistent egg production.

Purina Layena Omega-3

- 40 lbs. - $17.00
- 10 lbs. - $9.00

Purina® Layena®+ Omega-3 feed includes all 38 nutrients hens need with added omega-3. With Layena®+ Omega-3 feed, hens can produce eggs with more omega-3 fatty acids than store-bought eggs.
